

## Zone tables

The following tables list which service options are available to and from a particular destination and origin and are also used to identify a shipment's zone number. You will need the zone numbers when calculating the cost of your shipment.

### Sending or receiving

Use the **sending** zone columns when the shipping charges are billed to a party in the sending country\*.

Use the **receiving** zone columns when the shipping charges are billed to a party in the receiving country\*.

### Using the zone table

- 1 Find the location you are sending to or receiving from.
- 2 A service is generally available when there is a zone number in the sending or receiving column of the country of your choice.
- 3 Note the zone number for later reference when calculating the cost.

+ Extended or remote area charge may apply to certain areas.

Please note that extended or remote locations are subject to change.
